PROFESSIONAL EXPERIENCE

Workforce Transformation Leader, Organizational Change Management

Boulder County & DRCOG | 2024–2026 | Boulder, CO

- Led organizational change management efforts across a five-county regional workforce initiative involving more than 40 public, private, and nonprofit organizations.
- Led operational transformation of a \$5M+ regional workforce system supporting construction and skilled trades, and aligned service delivery, employer demand, and training pipelines across five counties.
- Led regional workforce transformation strategy supporting Colorado's building decarbonization initiatives, engaging over 40 organizations across government, industry, and education sectors.
- Designed AI-enabled statewide workforce pathways and capability frameworks supporting an estimated 3600 workers across the building decarbonization sector.
- Created executive-ready tools, dashboards, and decision frameworks utilizing AI for stakeholders and leadership teams to drive organizational effectiveness decisions.
- Leveraged generative AI and AI agents to accelerate analysis, executive decision support, workforce planning, and knowledge management.

Principal Organizational Effectiveness & Organizational Change Management
Independent Consulting Practice | 2008–2024 | Thousand Oaks, CA & Denver, CO

Founded and led an organizational effectiveness consulting practice serving Fortune 500 clients across biotechnology, healthcare, technology, and financial services. Served as trusted executive advisor across 32 engagements over 16 years, leading organizational effectiveness, change management, and transformation initiatives. Representative Clients: Amgen, Roche, Thermo Fisher Scientific, Ventana Medical Systems, Oracle.

- Built and led a team of 11 practitioners and ensured high-quality execution across multiple concurrent initiatives.
- Led enterprise transformation and organizational change management initiatives across highly regulated, technical environments increasing change adoption by 30%.
- Designed organizational change capability strategies impacting 5000 leaders and employees.
- Developed enterprise learning and talent strategies that improved time-to-competency by 15%.
- Created governance and measurement frameworks that improved engagement scores by 40%, productivity by 30% and reduced cycle time by 10%.

Director Organizational Effectiveness & Organizational Change Management
Aon | 2004 - 2008 | Lincolnshire, IL

- Led Lean Six Sigma and organizational change management functions supporting global business units, and improved cross-functional coordination and execution.
- Standardized workflows and reporting processes, reducing coordination time by 50% and improving operational visibility.
- Built executive change management and process improvement dashboards that reduced time-to-insight by 30% and improved decision-making.
- Facilitated cross-functional working sessions across operations, finance, and technology teams to resolve process gaps.
- Led and mentored teams of 14 across multiple process improvement initiatives.

Earlier Career
